PURIFI H2O is a pure water filtration company that specializes in delivering solutions that **protects** your equipment investment, **enhances** your customer's experience, and **promotes** safety and well-being for all.

HOSPITALS and HEALTHCARE FACILITIES

Healthcare institutions run critical systems and equipment that directly or indirectly affect the health and wellbeing of both patients and staff. Pure ultra-filtered water is a fundamental aspect of these systems, one that healthcare institutions and businesses simply cannot overlook. PURIFI H2O is a leading provider of ultra-filtration and pure water systems for healthcare facilities looking for first-line defense against water-borne pathogens.

Peace of Mind Maintenance Program

Let PURIFI H2O take the hassle out of changing filters with a cost-effective maintenance program that insures the extended life of your equipment and the highest quality water for every use. Our PM program is designed to help you:

- Reduce risk and liability exposure due to pathogens
- Reduce cost and increase your ROI
- Extend the life of your equipment
- Improve operational efficiencies with less downtime
- Improve your patient's experience
- Remain compliant with State and Federal laws
